LORD, tribulation comes against me

The oceans roar and sinful desires try to tempt me

I know that Your sovereign and even with evil within me

the strength has been perfecting the spirit that dwells within me

Your holy, I'm unworthy, but I pray to bring You glory

when I don't understand what I'm facing, I know that You're fightin for me

I seek You, I trust You, You proved yourself to be a faithful God,

So I'm prayin for more of You and less of me (to Chorus)
